Egdon included the following statements:

*"Egdon Resources plc (AIM: EDR) advises that its application to extend to December 2020, the existing planning permission to drill an exploratory conventional oil well (North Kelsey-1) on farmland off Smithfield Road, North Kelsey, Brigg, Lincolnshire was deferred at today's meeting of the Lincolnshire County Council Planning Committee. A decision will be taken once the Planning Committee has undertaken a site visit.*

*Commenting on the meeting outcome, Mark Abbott, Managing Director of Egdon Resources plc, said:*
